

Kyriakos Agiannidis
Commercial Director

Kyriakos Agiannidis carries considerable experience in the Construction and Energy Sectors. He began his career as a Project Engineer at the construction company METKA S.A., dealing with the Engineering, Procurement and Construction of a Natural Gas Power Plant, at Lavrio. He continued his career at the German Group Conergy GmbH, as Sales Manager for the photovoltaic parks “turn-key” department. Today, Kyriakos Agiannidis is the Commercial Director of Positive Energy, as well as a Member of its Board of Directors. He holds a MSc degree in Renewable Energy Systems Technology from Loughborough University in England, as well as a degree in Mechanical Engineering from the University of Patras and he has attended with distinction the Management program of the Hellenic American University.
